

Spain National Team Training Center "CITY OF FUTBOL"

eSoccer brings you the opportunity to have an exclusive experience at the Spanish Soccer Federation Complex, "City of Futbol," home of Spain's National Futbol team. With his 3 full side natural grass fields, one latest generation artificial grass, and a goalkeeping training field this complex has everything that a futbol team needs to take their game to the top level. All fields have their own lighting, 2 of them with stands that hold over 1000 people and with locker rooms connecting to all the fields. The complex also has an indoor futsal arena (Spain is currently Futsal World Cup champion). A Gymnasium, assembly hall, classrooms, meeting rooms can be used for coaches' seminars, clinics, team meetings, videos etc.

Latest generation artificial grass field.

Spain's National team training field.

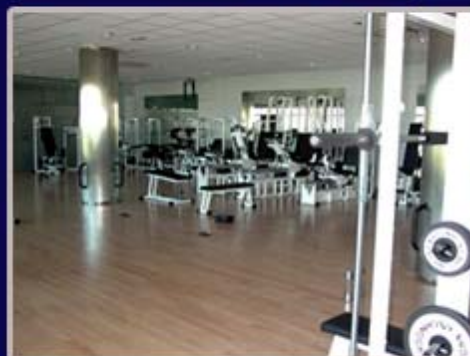

Just a few yards from the fields you will find an outstanding 4 star hotel inside the complex at City of Futbol. The hotel includes large and comfortable double/triple rooms with individual bathrooms, TV, wireless internet in each room, TV and game area, outdoor swimming pool, restaurant, and laundry services that will make your stay and training time even more pleasant.

The complex has a medical center inside that comprises different services as regards to sports health care, physiotherapy and rehabilitation.

You will feel, breathe and live soccer at "City of Futbol"

Hotel Lobby, TV, and game room area.
